

Dora is the Communications, Marketing & Technology Specialist, overseeing the Chamber's website, ChamberMaster Member Information Center Management, Chamber Newsletters, and social media. Her responsibilities also include the annual printed directory and other marketing materials pertaining to Chamber Events and services. Her role as a communications liaison for the Chamber includes assisting with drafting press releases, releasing them to the media, fielding calls, and arranging interviews with Chamber representatives. She is the staff liaison for the Aging in Place Business Round Table and the Business Women's Round Table.

Dora returned to her hometown of Charlottesville, VA after finishing her Bachelor's Degree in Arts Administration from the University of Kentucky, during which she acquired various skills in the fields of Marketing, Communications, Event Planning, Website Design, and Financial Management of Nonprofits.
